

Why Choose our 501c3 Services?

1. **Competitive Pricing:** Our 501c3 packages are affordably priced for your nonprofit budget. We may not always be the lowest but when you consider the free promotions, extra value items, easy pay plan and expertise, we are definitely a bargain!
2. **Quality Control:** We do all of our services in house, providing our customers with consistent professional service, quality and quick turnaround.
3. **Service Guarantee:** Given our experience and 100% success rate you can count on our support until you get your IRS Certification letter at no additional fee!
4. **One-Stop-Shop:** Where as many companies only provide you with one of the services you may need, we are truly a one-stop resource center for all of your nonprofit needs from startup through growth.
5. **Long Term Relationship:** Because we offer many services, our goal is to win our clients with great pricing and excellent customer service to enable a long term relationship

Bookkeeping Services

Many non-profits in an effort to save money do not use an accountant; this puts them in a disadvantage by lacking the proper financial reports. Additional consequences include: being unprepared for any audit, fines for late reports, credibility issues due to poor financial tracking and end up paying more on tax time due to unorganized records.
